

Morrison County Drop In Center

March 2021

Crafts are available to be worked on daily; not just during Craft Group. Please be courteous to others and only make one craft of each type so others can make some too.
Thank you!

March 11, 2021 Day on The Hill

Day on the hill is where you go to the State Capitol and talk with the Senators about mental health and what you would like to see happen with the money for mental health.

Day light savings time March 14 put clocks ahead 1 hour

Due to COVID-19, we need to wear masks, maintain social distancing, and cannot have more than 10 people in the DIC at a time. We will also be taking your temp at the door. You may eat at the table. Thank you for understanding & helping keep us all safe and healthy

The Drop in Center has been opened since 2003. The Drop in Center was founded by Christa Johnson. We are under the supervision of Oakridge Woodview. We have had a lot of coordinators and facilitators over the years and are very grateful to each and every one of them.
